Alma Mater

In the forest above the bayous
Where the tigers play,
Here the sons of dear old Winnfield
Reign supreme always.
Dear old Winnfield, we will triumph
And with all our might
That the tigers' roar may echo
O'er the woodland height.

Far above the bayou country
On a woodland hill
Stands our noble Alma Mater
In the forest still.
Lift the chorus, speed it onward
Over hill and dale;
Hail to our beloved Winnfield
Alma Mater, Hail!

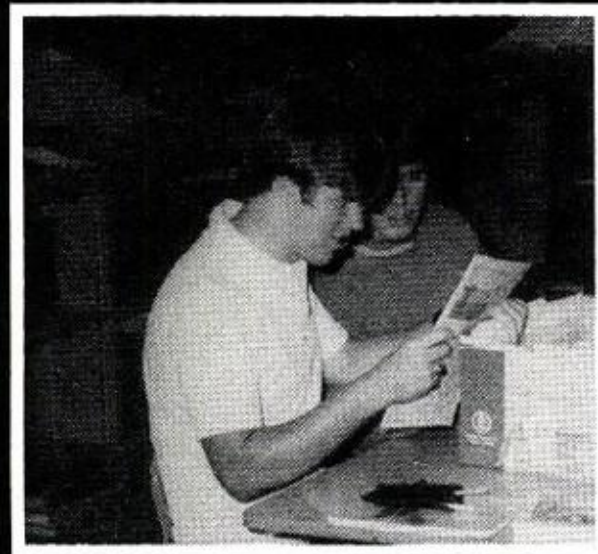

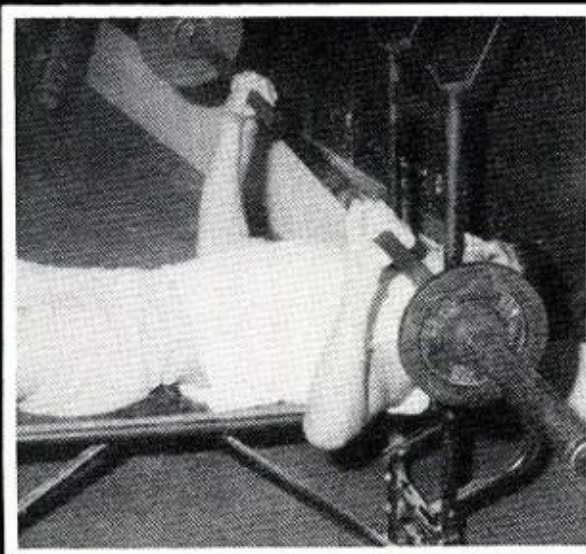

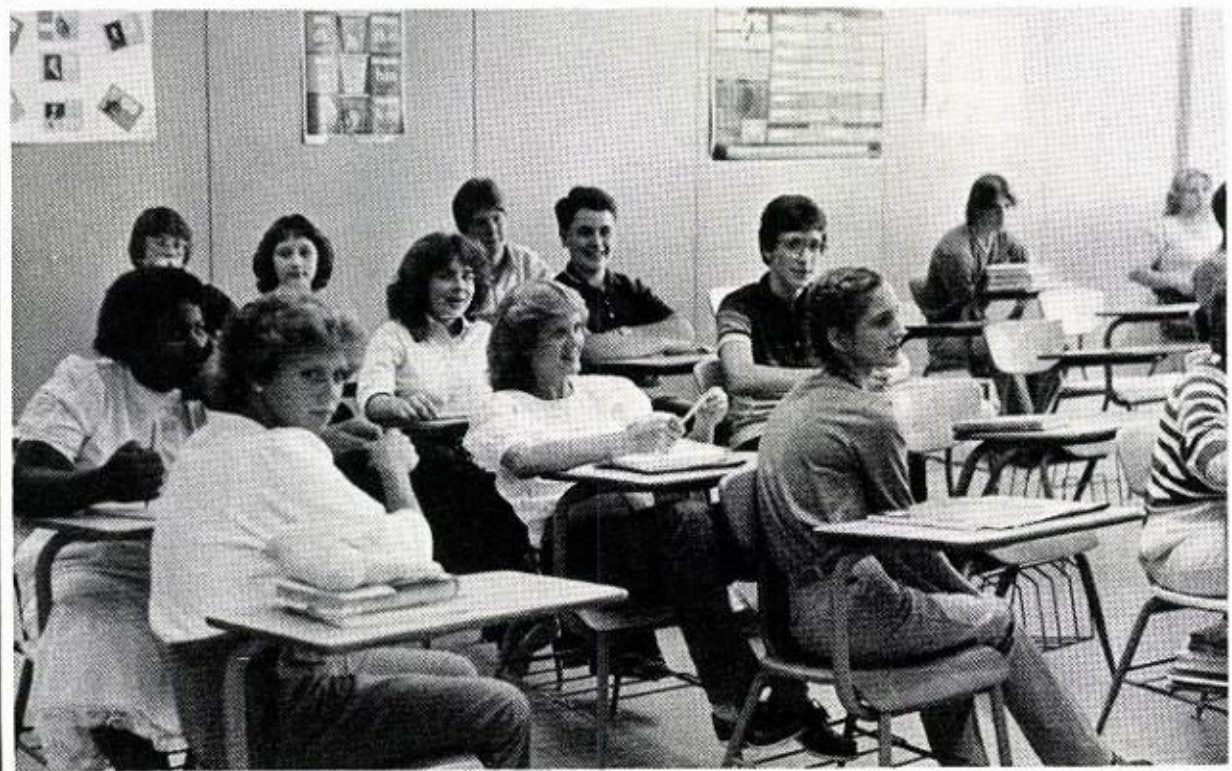

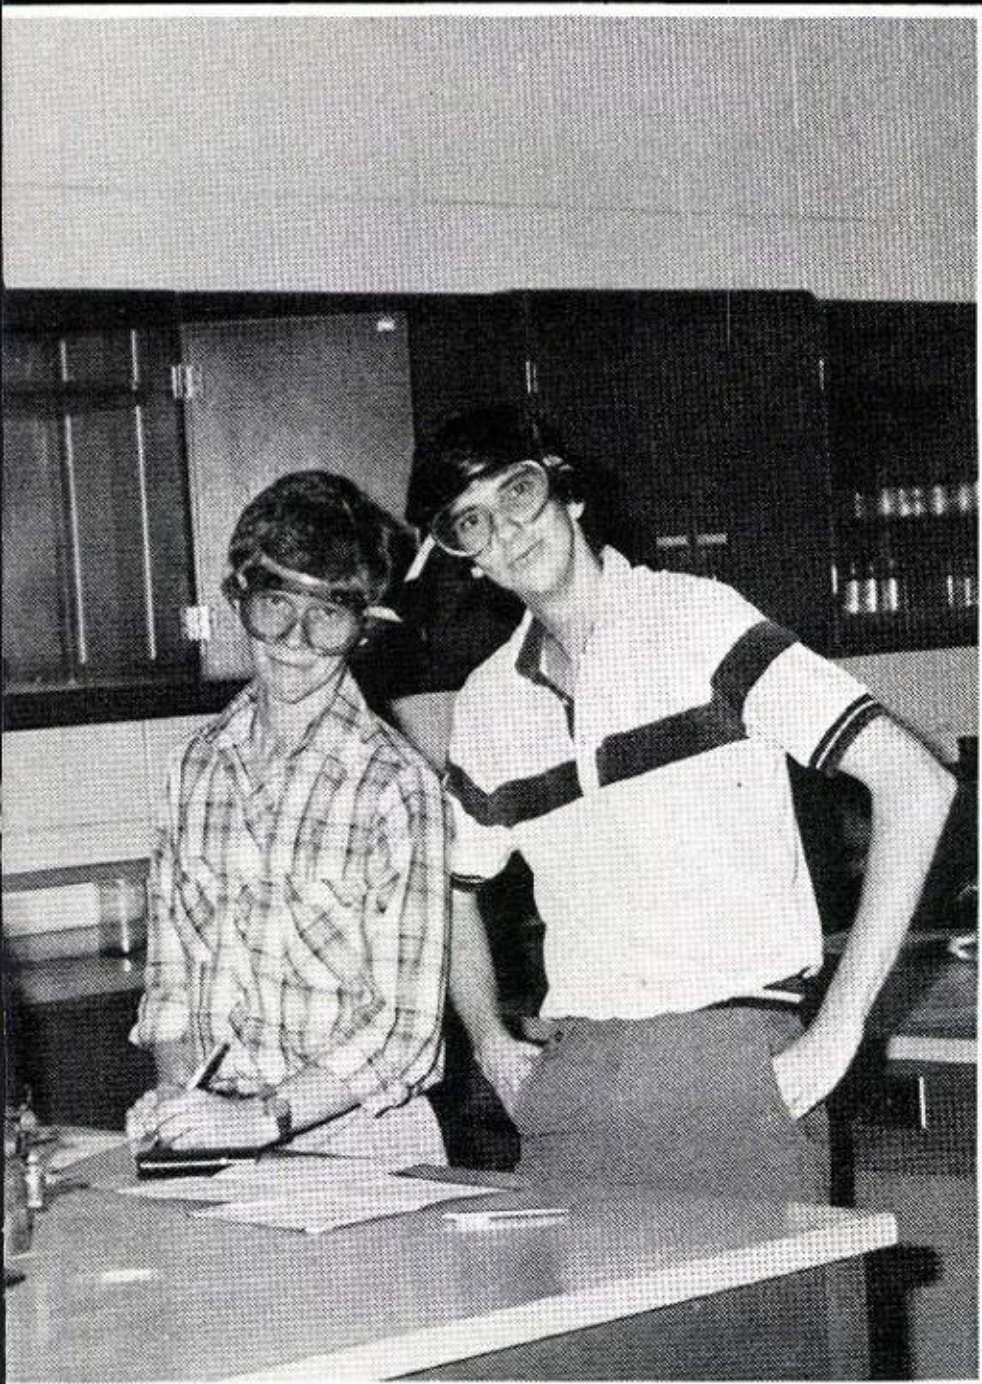

Winnfield Senior High School is very successful in academics, athletics, and club activities. WSHS is well known for its superiority in the various facets of school competition in both individual and group activities. In other words, winning has become a tradition. Through the 1982 **Salt Rock**, the mystery behind the winning tradition of the WSHS Tigers will be unveiled in a way that will enhance memories and ensure remembrances of being a part of that winning tradition.

Framework

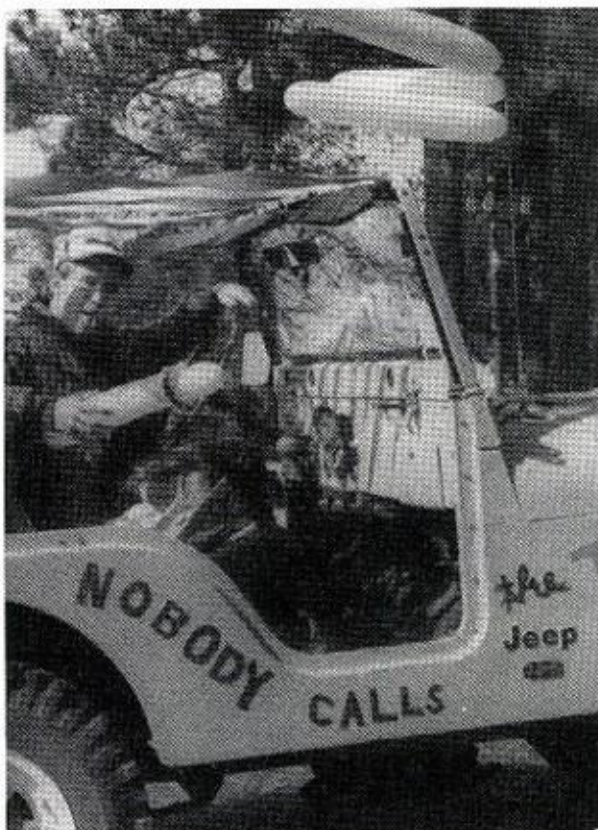

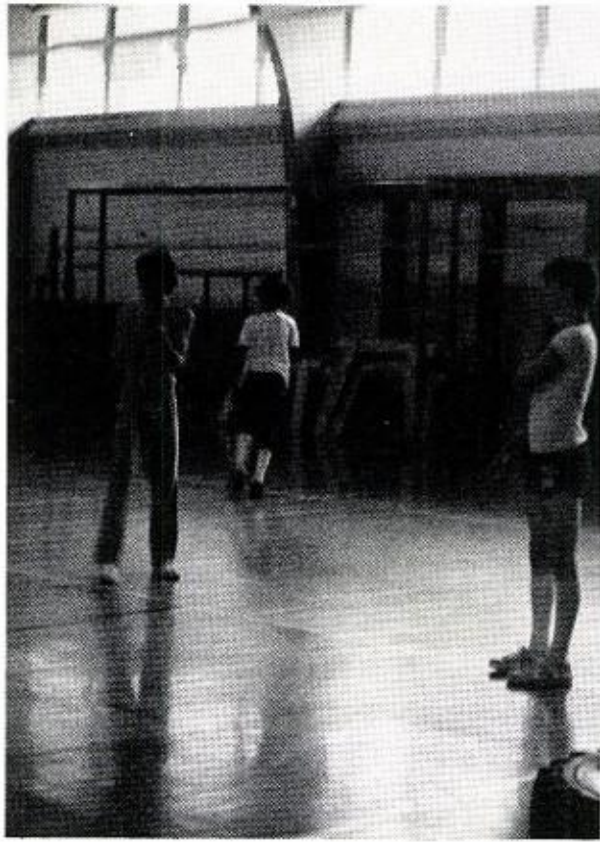

The "Setting" section establishes the mood, place, and time of important events at Winnfield Senior High School. In later years the scenes of people and events depicted in these pages will bring back recollection of the "happenings" of the 1982-83 school year. These pictures have a special meaning that only the students of WSHS can know. They also seem to convey that the WSHS students are not only proud of their school but also proud to be a part of the 1982 **Salt Rock**.

Evidence

Clubs of every kind are a significant part of the activities of the WSHS students. Whether the students' interests lie in academics, athletics, or both, there is an organization for everyone. The next few pages illustrate that many people contribute to the winning tradition at WSHS through their outstanding academic achievements and athletic abilities. The photographs of the various club activities suggest that the students not only enjoy participating in extra curricular activities but also uphold the winning tradition of WSHS.

TIGERS EDGE PINEVILLE 39-38. WSHS slipped by the Rebels in a wild game in which both teams combined for over 800 yds. of total offense. The Tigers drove 64 yds. for a touchdown to come from behind in the 4th quarter to win. But the defense had to stop Pineville twice in the last 6 minutes to preserve the win.

STATE CHAMPS! Tigers Number 1 In AA

The first football state championship for WSHS was the final achievement in a full year of work for 40 young men and coaches.

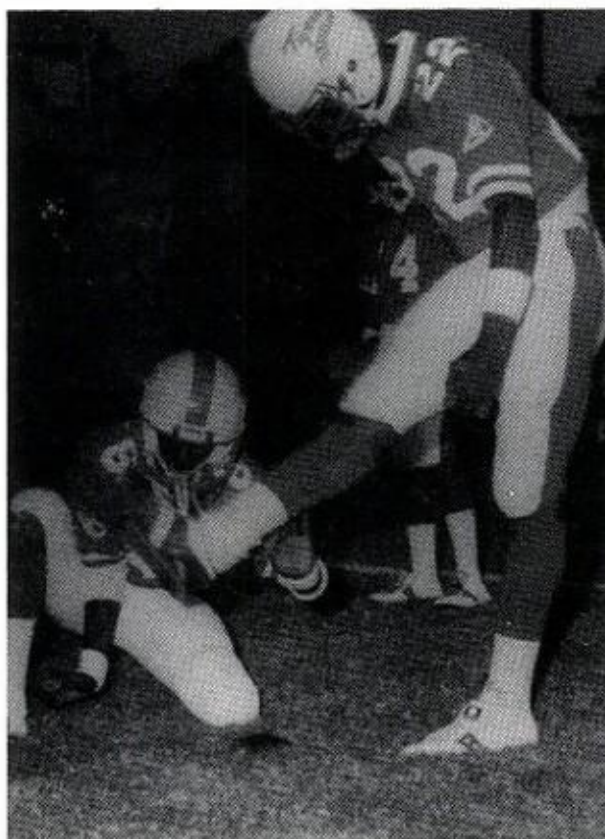

When the Tigers were eliminated in the semifinal around of the '81 playoffs, preparations were begun for the '82 year. A weight-lifting program was begun for the players; coaches sought improvement by studying collegiate football programs; two sessions of spring training were held; running and lifting continued during the summer; and the Tigers practiced twice a day prior to school opening. The team was beginning to jell, and the coaches were expecting great things. However, the season started with a disappointing loss to Neville, causing many to doubt the team's ability. But the Tigers took it as a lesson in humility. As the season progressed, the team began to regain its

confidence.

Winnfield rolled over its district 3-AA opponents, winning by an average of 56 points. For the second straight year the district championship came to WSHS.

The Tigers had the most difficult road to the finals in the playoff bracket, facing Springhill, Ferriday, and E.D. White, who were ranked in the top ten in the state.

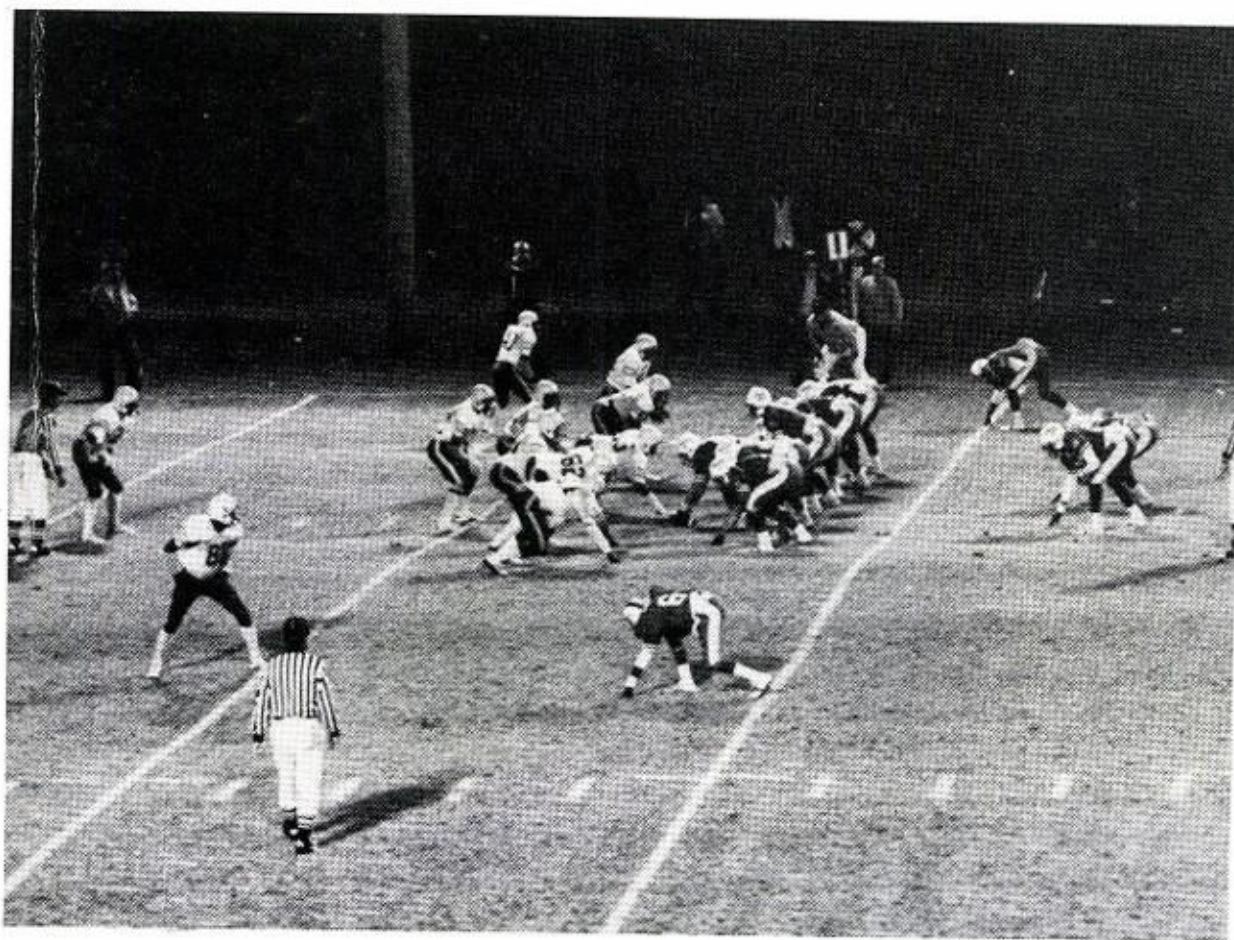

Finally, after eliminating these teams the Tigers made the well earned trip to the DOME. Their opponent was John Curtis, the 3-time defending state champions. Curtis was the proud owner of a 46 game winning streak against AA opponents. But when it was all over, the score was 23-14, and the Winnfield Tigers were on top of the world as the STATE AA CHAMPS. All the work had finally paid off.

NEVILLE STUNS WINNFIELD 35-0.

The Tigers were disappointed in their season opener against AAAA powerhouse Neville. The game started out close, with a 0-0 tie after the first quarter, but Neville broke loose in the second quarter to start a 35 point romp.

WSH CRUSHES COUGARS 60-0. The Tiger offense looked great rolling up 60 points, but the team was prouder of the "goose egg" that the defense registered for Grant. With this victory, WSHS improved its record to 2-1.

Senior Spotlight

CHESTER BRINSON-

"Chester had to make a lot of changes this year. He accomplished great things by mastering each position he was changed to." (Crawford)

KEVIN COLLINS-

"Kevin had a great attitude about football. He was always serious and businesslike on the field, and a fun guy and a good friend off the field." (Mills)

SAMPSON COLLINS-

"He is a changed person. His attitude has changed for the better as he got better. He helped calm the team down when we needed it." (Durham)

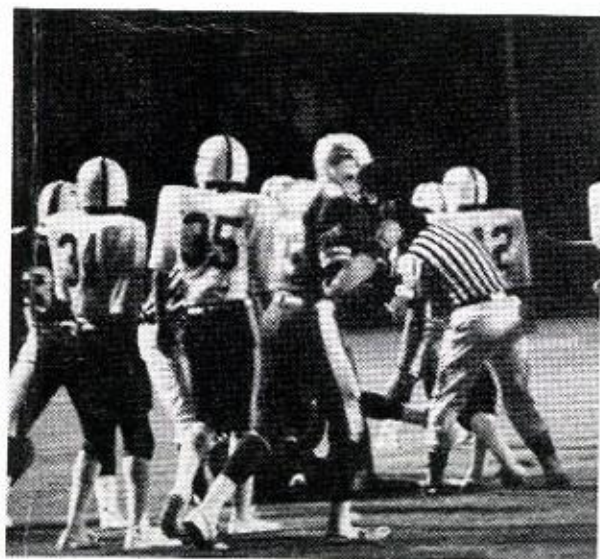

KENNY CRAWFORD-

"Even though Kenn wasn't as big as some of us others, he always worked hard at his position and wasn't afraid to go up against anyone." (Grigg)

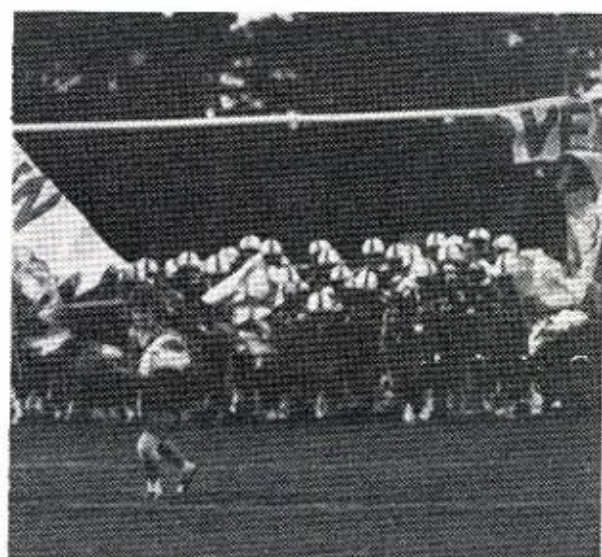

CALVIN DURHAM-

"This was Calvin's first year with the varsity. Even though he didn't have as much experience as some of us others, he still made big contributions." (Williams)

Lisa Canerday drew the traditional run-through signs of every game

to symbolize the way the Tigers "ran-through" opponents.

TIGERS TROUNCE TIOGA 47-14. For the 2nd straight year the Tigers beat AAA Tioga. After a slow start, WSHS Roared to a 34-0 halftime lead. In the 3rd quarter, it was stretched to 47-0 by the "reinforcements." Tioga's only scores came with less than three minutes left in the game.

WSHS SQUEAKS PAST PARKWAY 25-23. WSHS is now 4-1 after its win over AAAA Parkway. After giving up a field goal, the Tigers made it 7-3 and never fell behind again. The Panthers came close in the 2nd half, scoring twice to come within 2 points, but the defense held tough to win.

Senior Spotlight

JESS GRIGG-"I've played football beside Jess for years and I know he's a great player. He overcame a lot of pain to play sometimes, but he was there when it counted." (Huckaby)

JAY HUCKABY-"Jay was the heart of our defensive front line. He was someone you could count on not only play after play, but year after year." (Williams)

DOUG LAWRENCE-"It took Doug a while to come around this year, but when he did get everything together he meant a lot to our team and really helped us a lot." (Nelson)

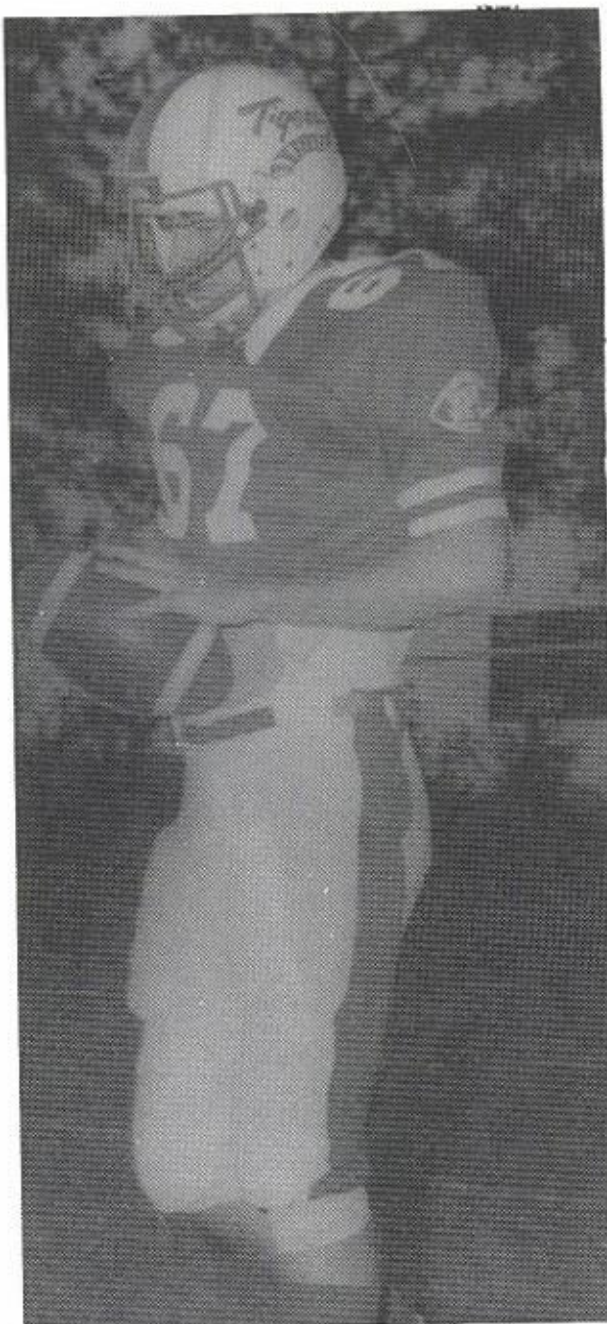

MARCEL MILLS-"Marcel was a good, steady performer. We knew we could always count on Marcel to go out on Friday night and put out his best effort." (Brinson)

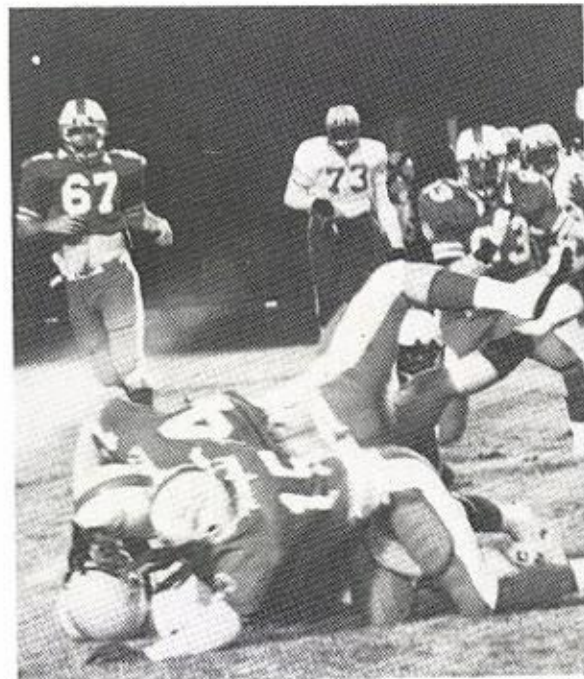

BENNY MITCHELL-"Benny was always a threat to break a game wide-open. Whenever he had the ball he was dangerous from anywhere on the field." (Myles)

WSHS BOMBS JENA 78-16. WSHS easily eat its 4th AAA team in the final tune-up for the district schedule. The offense looked good as it tied a school record with 78 points. But the Tigers were also proud of their defense which forced 7 interceptions. WSHS is now 5-1 entering district.

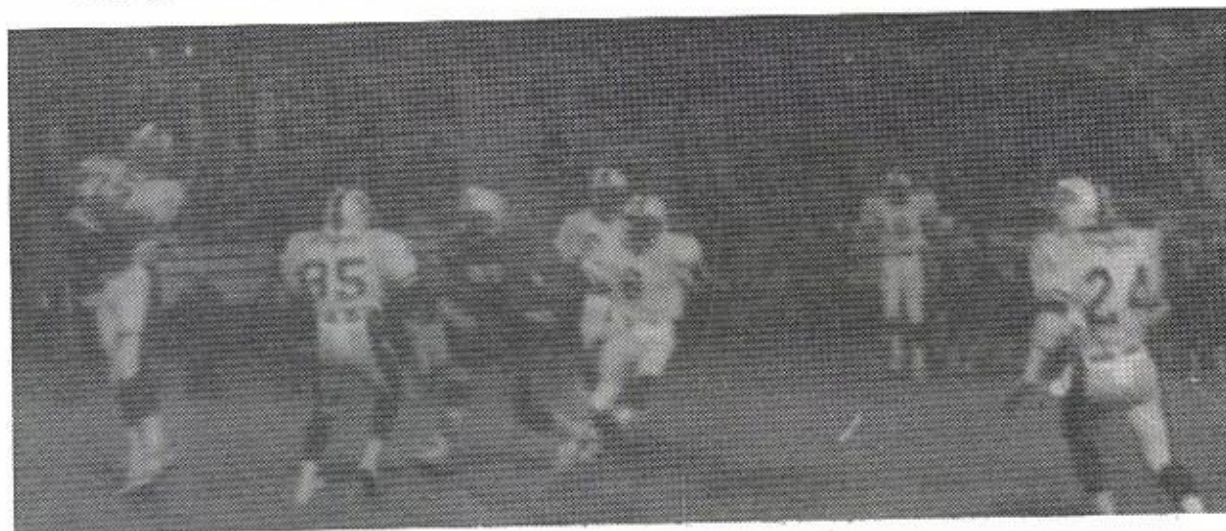

Johnny Williams - deep snap-artist.

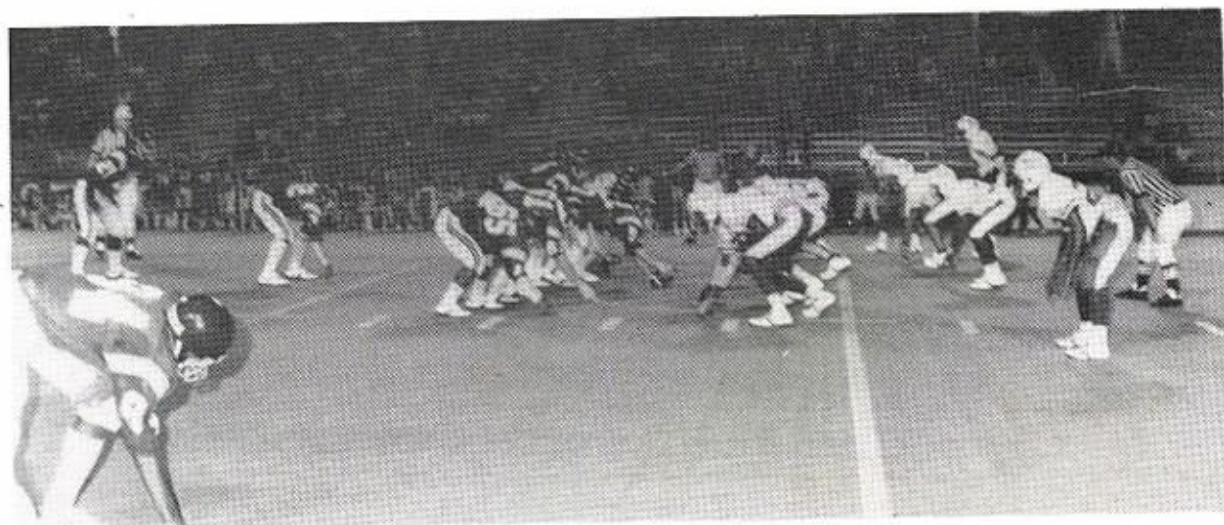

Huckaby and Riggs crush an unlucky ball-carrier.

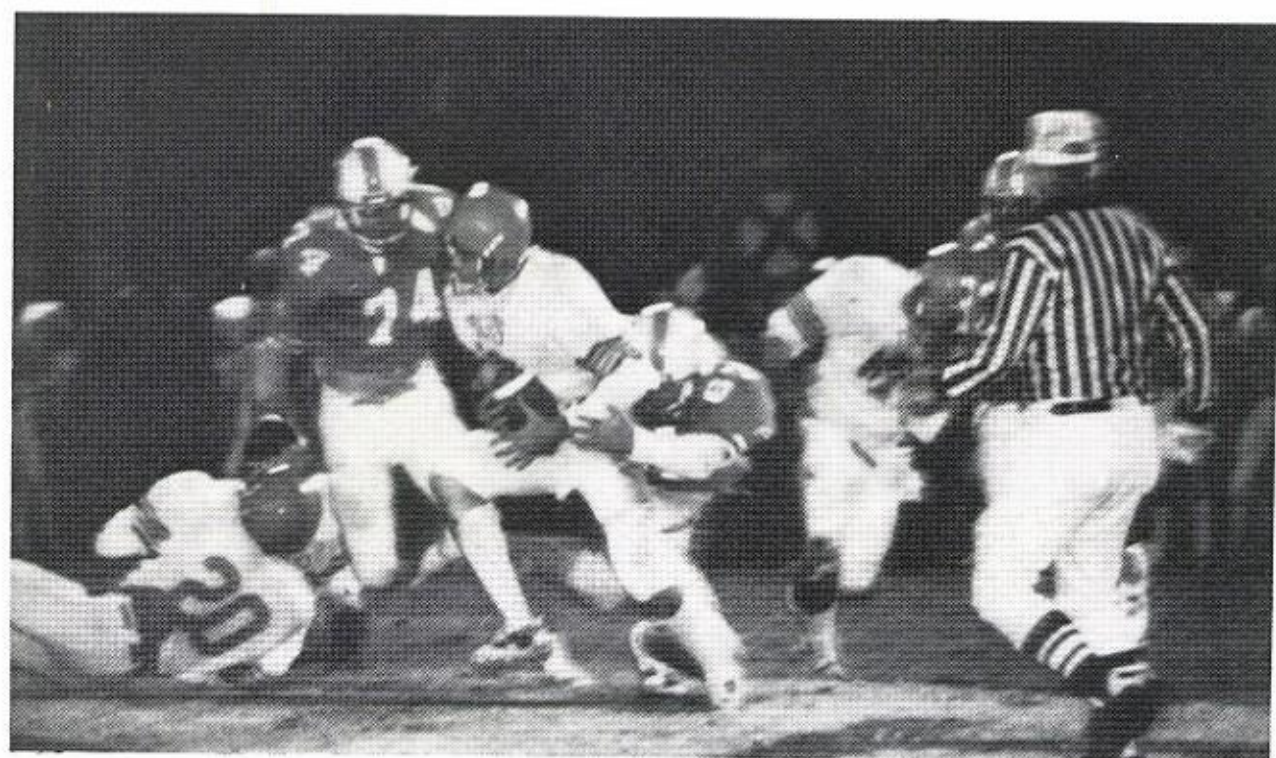

Coach Moreau ran the show from the sideline.

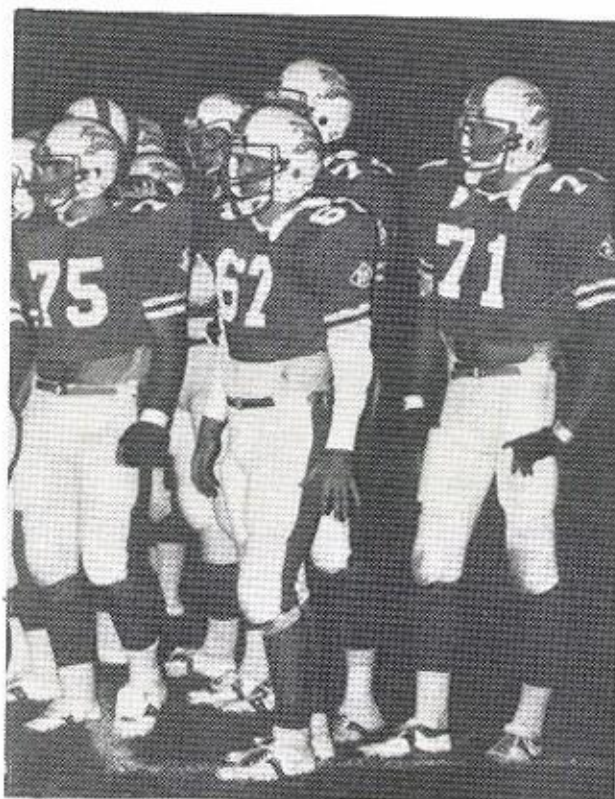

The Leatherneck secondary didn't allow much room for this receiver.

Tigers Roar Through District

The WSHS defensive line stayed in the Jonesboro backfield all night.

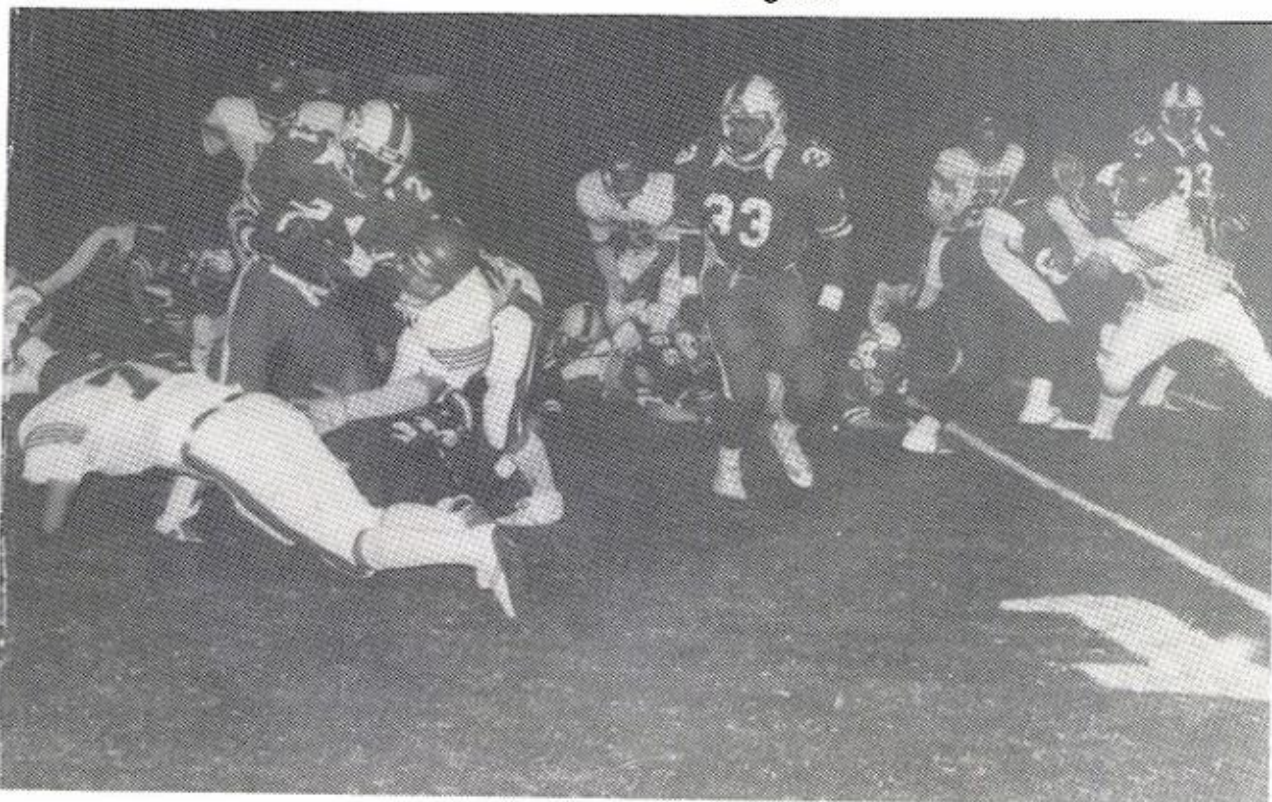

Tigers on the side were always ready to play.

WSHS MASSACRES MANY 59-7. The 7th ranked Tigers rolled on tonight, by clinching a playoff spot with a win over Many. The Tigers of Many had improved much but they were still no match for Winnfield. The Tiger winning streak is now 7 games going into the last game against J-H.

Trainer Jon Pittenger helped keep the players in the game.

TIGERS ROLL OVER RINGGOLD 75-0. The Tigers were really into the spirit of the Homecoming week. WSHS was very impressive overall in the district opener that raised their season record to 6-1. The defense allowed only 47 yds. of total offense in the 2nd shutout of the year.

Senior Spotlight

PERRY MYLES-"Was one of the best athletes on our team. He was a winner and it showed because he never gave up, when we were ahead or if we were behind." (Collins)

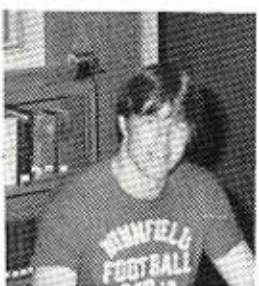

GLENN NELSON-"Glenn was one of the few and the proud who fought in the trenches where the battles were won. It was a privilege to play the line with him." (Wold)

EDWARD PEARSON-"I admire Edward for staying with the team all the way through. He was always a hard worker and is very easy to get along with." (Collins)

JOHNNY WILLIAMS-"Johnny didn't think he could make the move to defensive end this year, but then he realized how much fun it was and terrorized opposing backfields." (Mitchell)

TODD WOLD-"Todd had some big shoes to fill this year playing center, but he proved that he could handle any defensive player in the state." (Lawrence)

WINNFELD TAKES TITLE 47-6. The Tigers beat archrival Jonesboro-Hodge for the 5th straight time tonight, winning the #1 spot in district 3-AA. J-H managed only one scoring drive in the 2nd half. WSHS, however, played everyone. The Tigers now enter the playoffs at 8-1.

Tiger Homecoming '83

Homecoming at WSHS is one of the highlights of the year because of the week long celebrations climaxing with the football game on Friday night.

Traditionally, each senior football player and manager nominates a girl to the homecoming court. The entire student body then votes, choosing a queen from the court. On Tuesday of homecoming week, there is a special assembly in which the entire court is presented; the maid of honor and queen are announced and reign all week. This year our queen is Angie Quitta

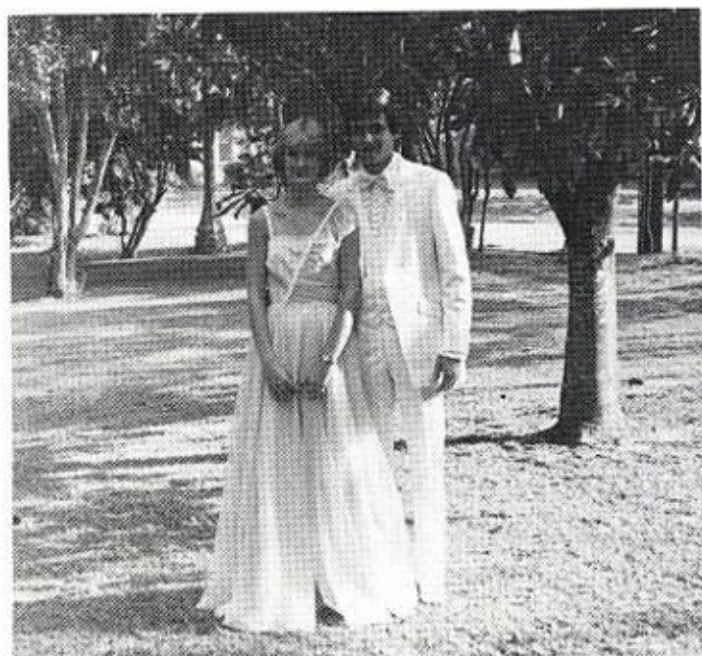

and our maid of honor is Debra Mattox.

Also, on Tuesday the homecoming doors are judged. The two categories are clubs and individual classes. The club winner this year is Anchor Club; the class winner is Mrs. Shell's Accounting II class.

This year our homecoming game opens the district schedule with WSHS versus the Ringgold Redskins. The Tigers sparkle just as the school has all week long. The final score reads WSHS 75 - Ringgold 0.

Once again the Tiger Homecoming tradition is carried out grandly.

RAYVILLE IS ELIMINATED 45-6. The Tigers kept rolling tonight with an impressive win over the 2-AA runner-up. The strong offense had 397 yds. while the defense allowed only 149 yds.

The defense was tough on Ferriday's All-Staters.

Thomas King's offensive line gave him great protection against Rayville.

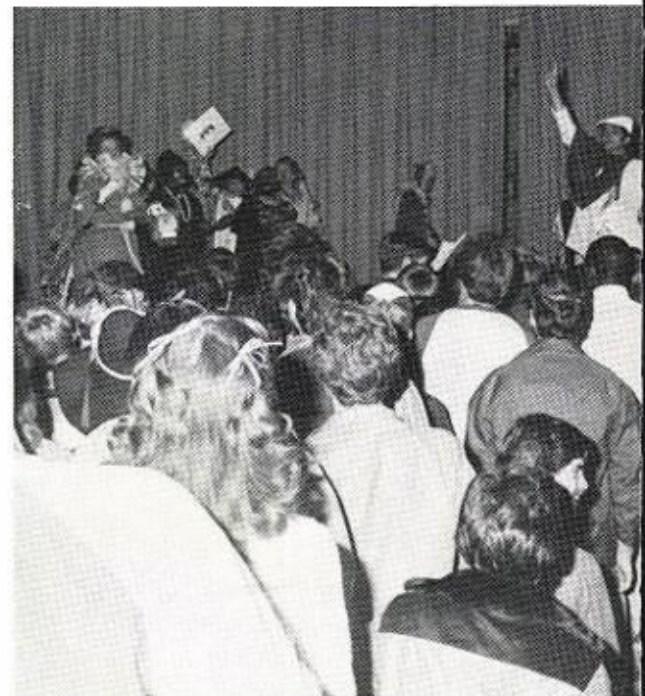

WSHS SLIPS BY 'JACKS 14-12. In soggy Springhill the Tigers took a close one from the 7th ranked Lumberjacks. WSHS scored twice early but the Springhill defense stiffened. It was tough in the 2nd half, but the Tigers held on for victory.

Tiger lineman "chill out" on a well earned break.

Benny Mitchell handled the punting chores.

4th QUARTER EXPLOSION LIFTS TIGERS 32-14. In quarterfinal action WSHS scored 19 points in the last 7:44 to come from behind and win. Ferriday's 3 returning All-State players came to the Tigers last home game. "All-Everything" back Nathaniel Williams was held to only 83 yds. on 23 carries by the defense. Our offense rolled on one of the best defenses around.

WSHS TROUNCES E.D. WHITE IN SEMIS. For the 2nd year the Tigers made that trip to Thibodaux, but with different results. WSHS avenged last year's 15-7 loss with a 50-8 pounding of the Cardinals. Lightening caused a delay of the game until Saturday; but the 3 day wait was worth it as the Tigers could do no wrong. Winnfield's backfield speed combined with great blocking for 5 scores of 45 yds or more. The defense was great again, holding the Cards to only 123 total yds. The Tigers are now 12-1 going to the Dome for the finals next week.

WSHS Dominated The Dome

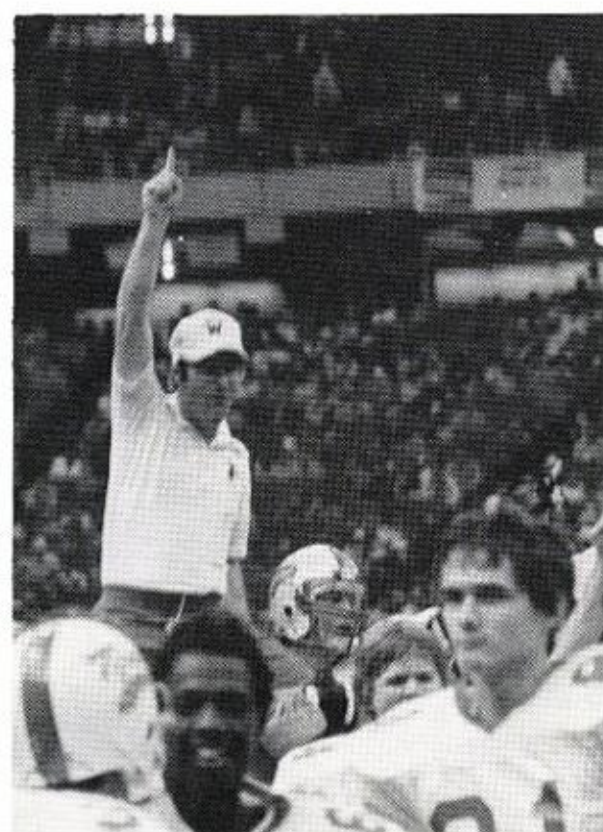

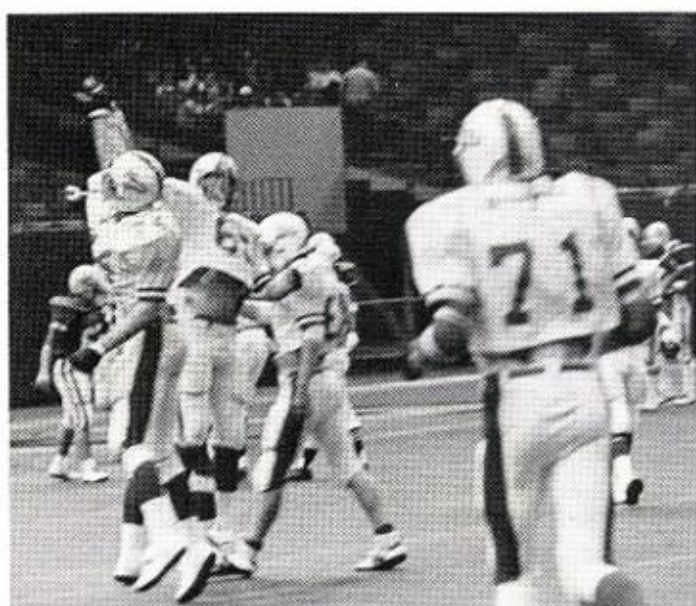

WINNFIELD-23 CURTIS-14. The Superdome scoreboard said it all. With 0:00 left in the 4th quarter the Winnfield Tigers were the AA Champions of Louisiana. The Tigers had jumped out to a 20-0 1st quarter lead and never fell behind. The game, however, was anything but a blowout. The Patriots scored with :19 left in the half to start their comeback. Both teams made changes at the beginning of the 3rd quarter but neither could put any points on the board. Then, early in the 4th quarter Curtis scored to cut the Tiger lead to 20-14 with 10:25 left. WSHS was able to add a field goal later on to win their first championship. The Tigers ended the year at 13-1 with memories of a season no one will ever forget.

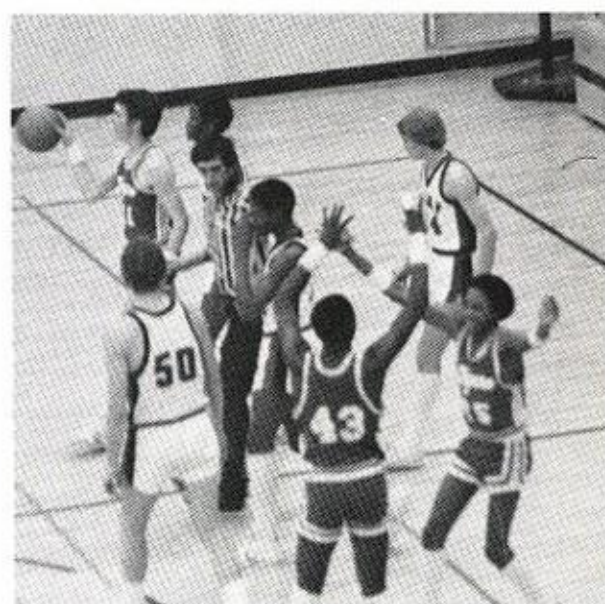

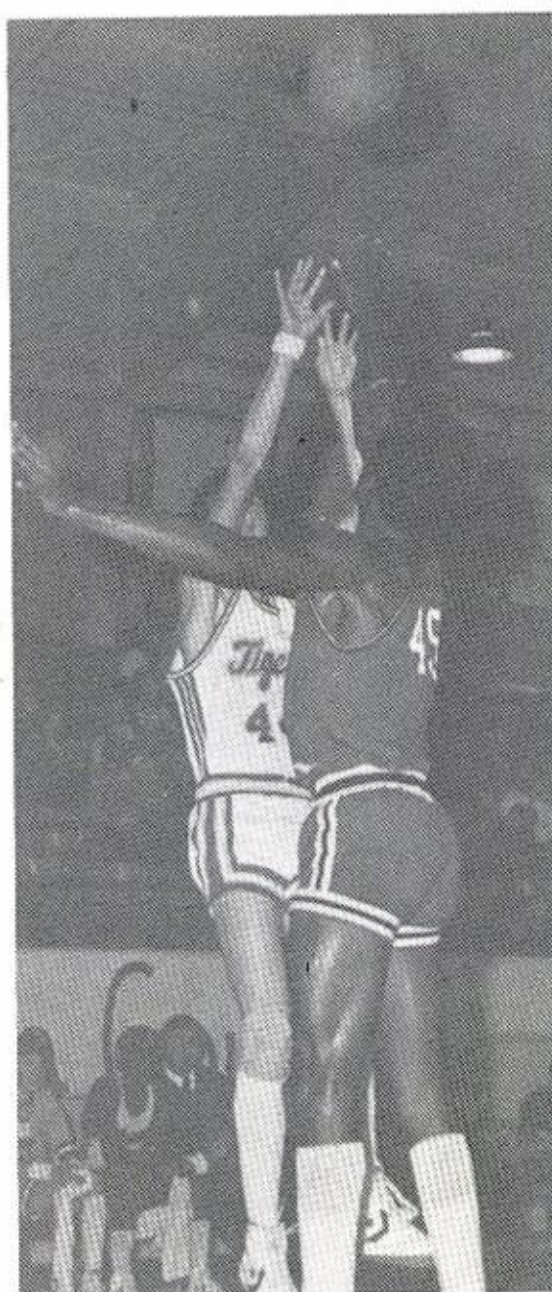

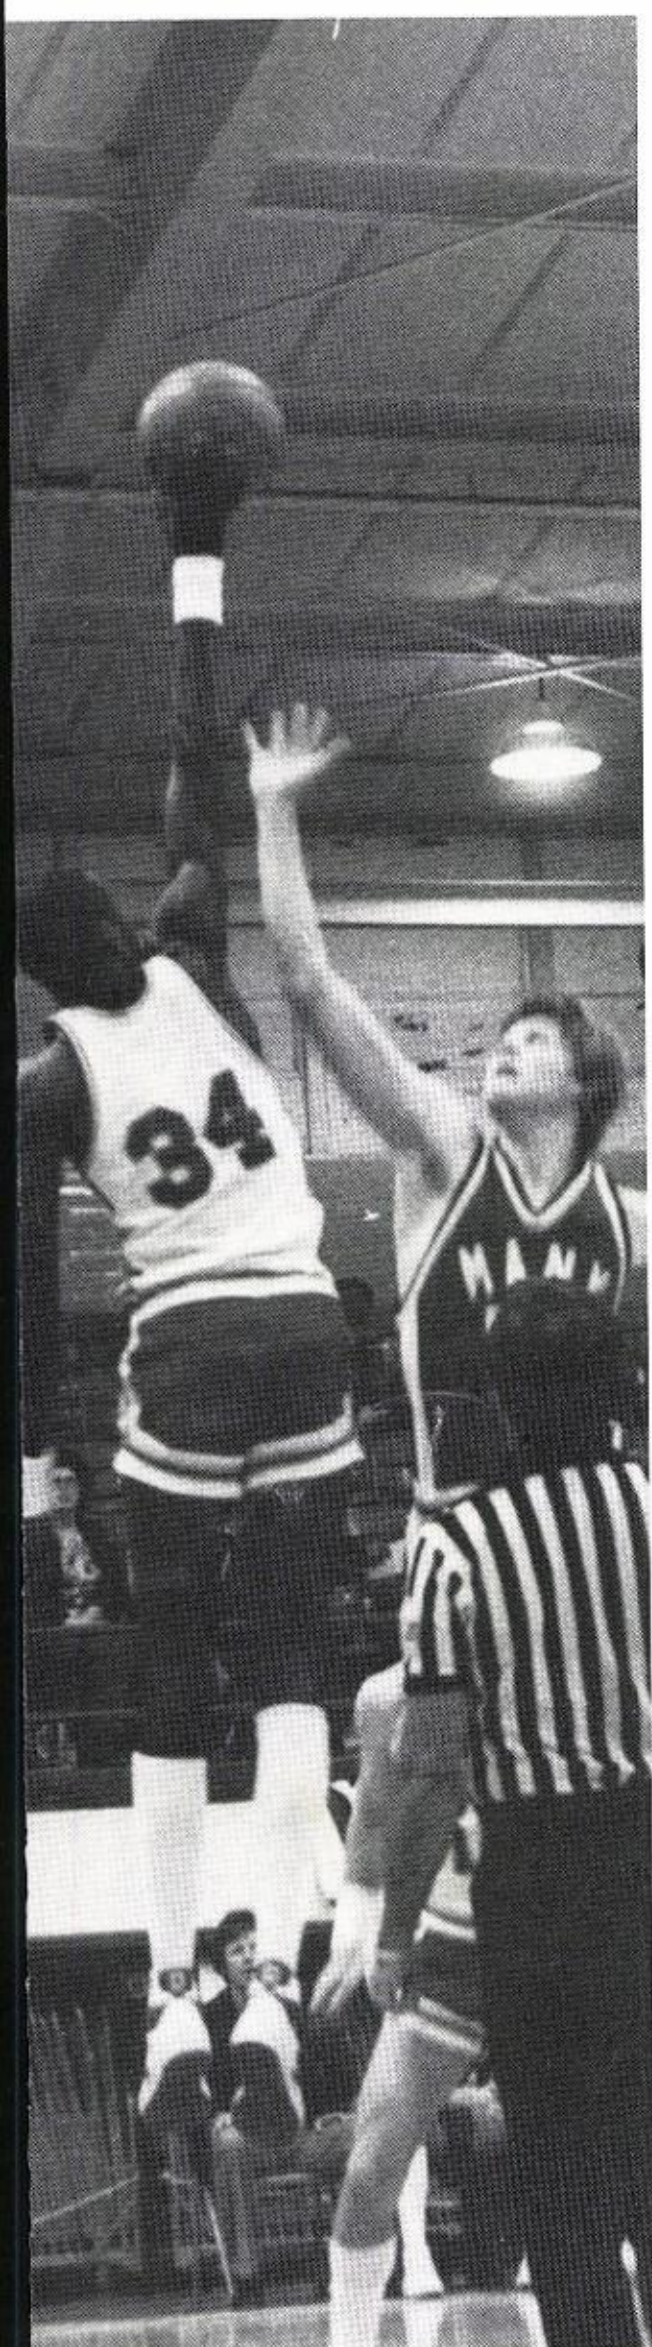

Doug Lawrence told the world who was #1.

Both the offense and the defense had to play fired-up football to beat John Curtis.

ALMOST!

This year's basketball team got off to a great start, roaring out to an 11-0 record, before dropping the finals of the Winnfield Tourney to AAAA Ruston. The Tigers started their District 3AA season by downing Coushatta. They then dropped a pair to Jonesboro-Hodge and won a couple from Many, before having their playoff hopes shattered by league leading Zwolle. Winnfield fell to the Hawks in two fairly close contests, giving Jonesboro second place. The Tigers ended their season in Ringgold, outlasting the Redskins 68-56. The Tigers finished the season with their best record in 4 years at 19-7!

RAY BALL A basketball team is only as good as the point guard. Ray played that position and that is one of the major reasons that we had a successful season.

DARRELL BARNES Darrell worked extremely hard this year and led the team in scoring. He was also the best defensive player on the ball club.

SAMPSON COLLINS Sam had to make the transition from football to basketball, but when he finally got adjusted he played a big role in our season.

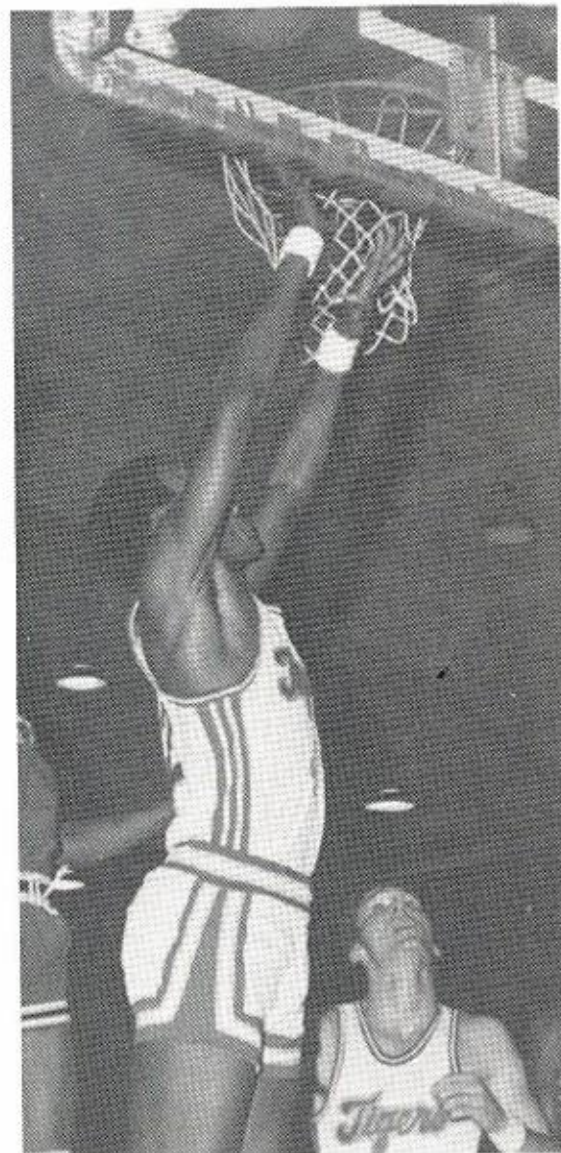

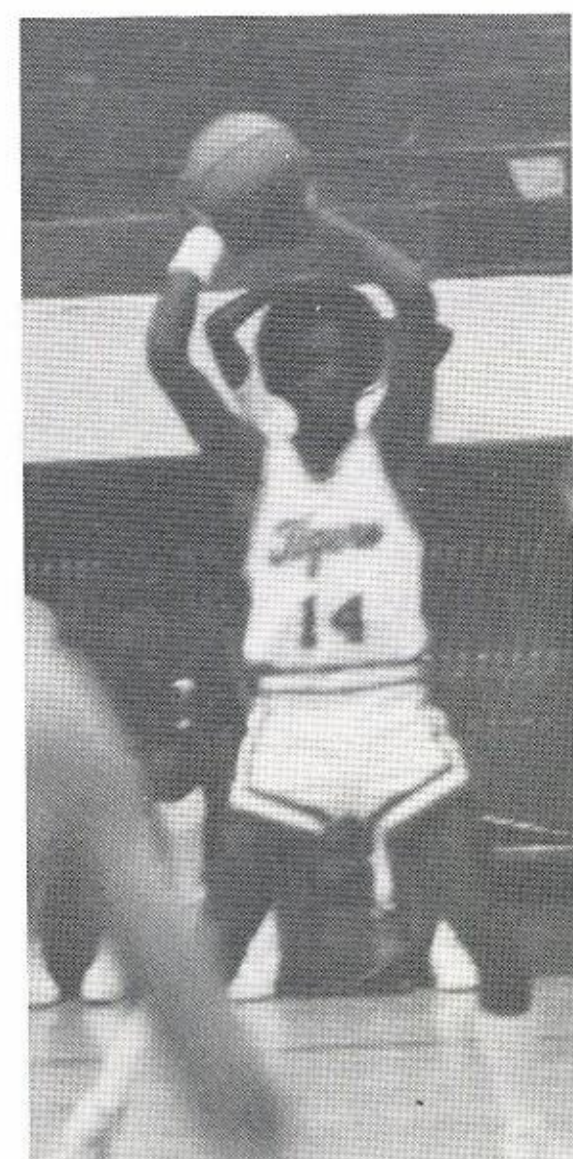

KENNY HATCHER A senior who didn't see much action, but when the time came to get with it he was ready. Kenny came in and controlled the boards very well and gave us great depth at the center position.

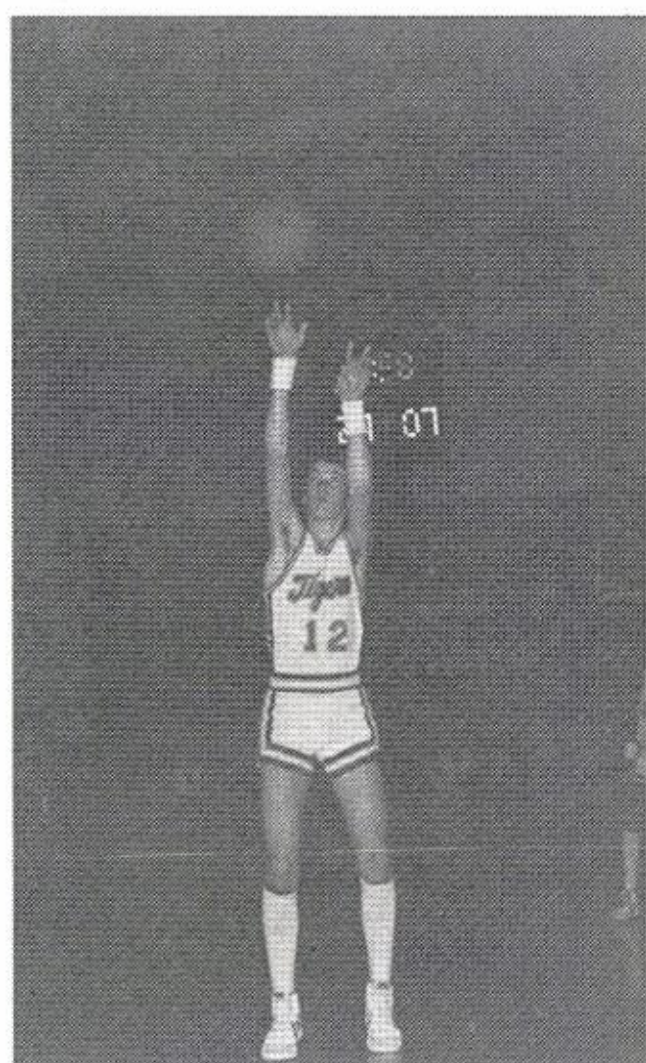

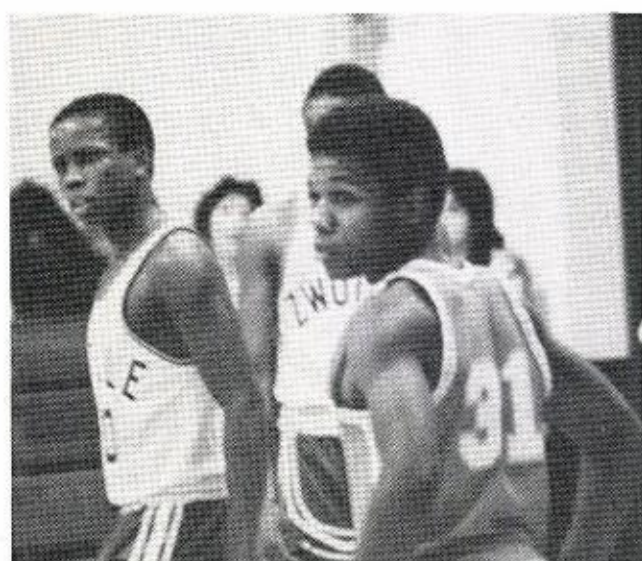

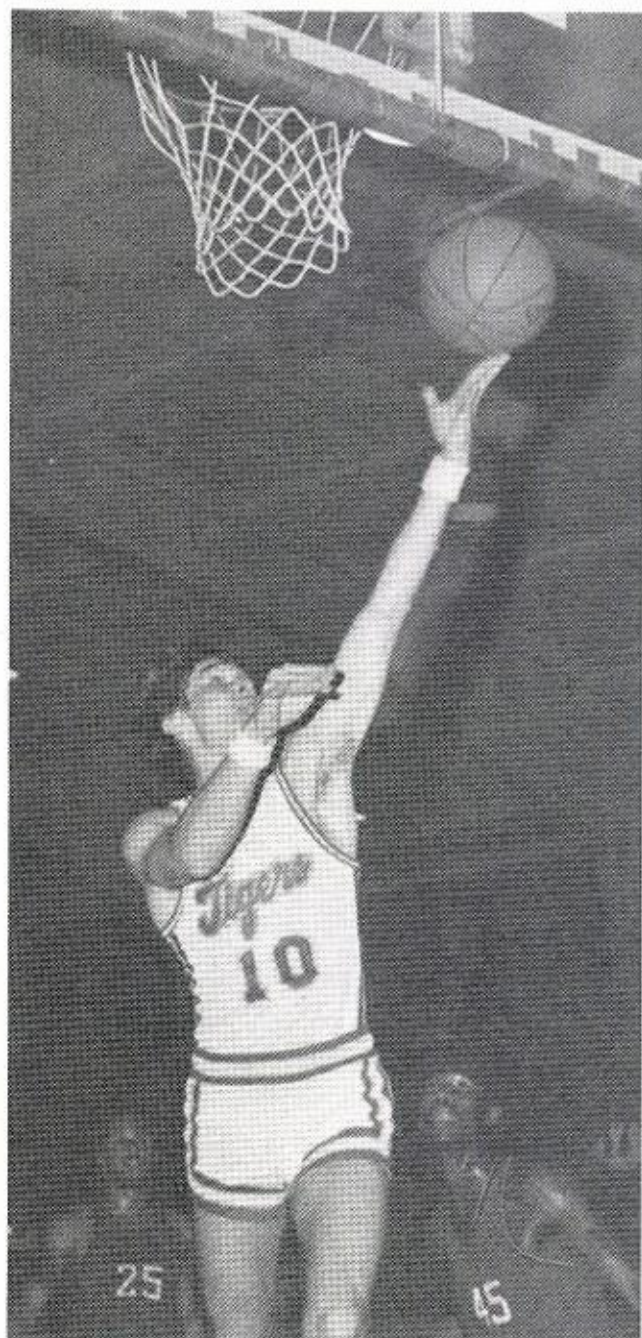

PHIL HOWARD Although Phil didn't make the varsity squad doesn't mean that he didn't keep trying. Phil came into the program as a manager and played hard for the JV team but most of all Phil had spirit and that's what it's all about.

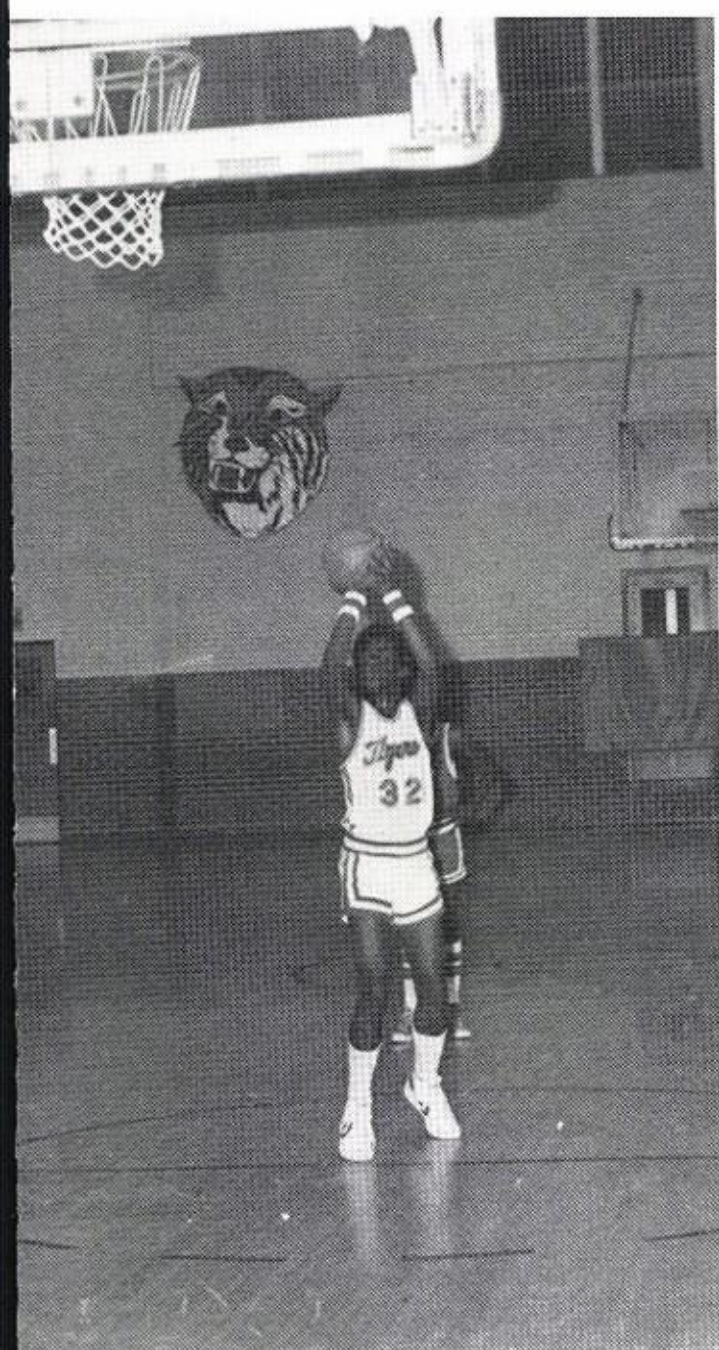

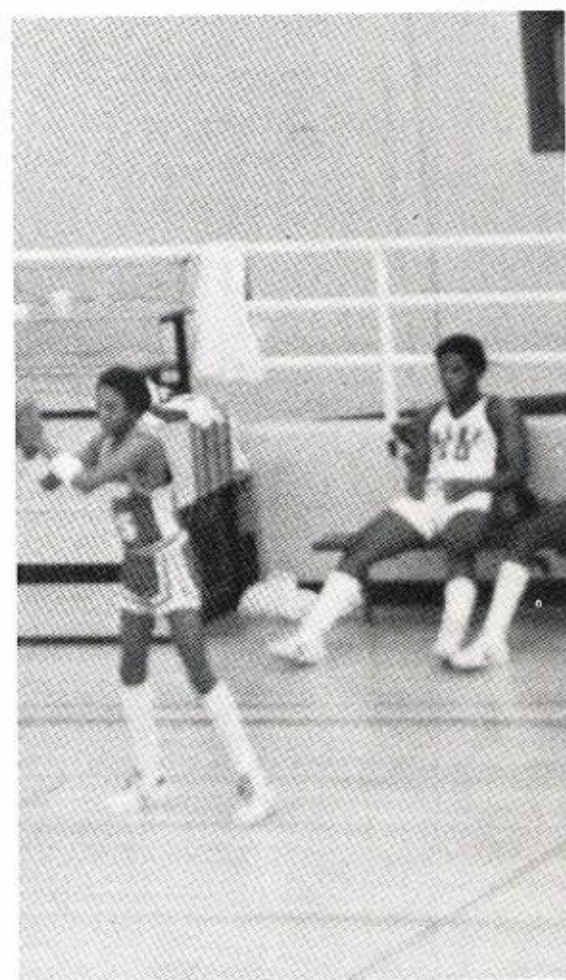

SHAD ROBERTS A returning starter who came out and gave 100% every ball game. Shad really helped the team get up and go.

1983: A Season Of Hope

The Tigerettes had the best season they've had in years. Their non-conference season included several AAA and AAAA schools which added competition and excitement to the girls' program. At the time the district season rolled around, the team had a 12-3 record.

A successful district season was what the Tigerettes strived for from the first day of spring training. The girls' hard work and dedication paid off immensely. They went 10-0 in district to take first place. This year marked the first undefeated district

season for the Tigerettes since the 1966 season.

The team beat McCall in the bi-district championship game played at Ruston High School. After a remarkable district season the Tigerettes' efforts were thwarted by Arcadia in the second round of the play-offs. The game was also played at Ruston High School.

The **Salt Rock** salutes the Tigerettes of 1983 on their great season and wish the senior Tigerettes the best of luck in the future.

Hit! Steal! & Score!

The Tigers cruised and enjoyed a 15-3 season this year. After a second place finish in the LaSalle Tournament, the Tigers rolled to a district championship and into the state playoffs. They finished their season in the quarter-final playoffs against Notre Dame of Crowley.

The Tiger squad was a young team having only three seniors. Barnes, Myles, and Roberts finished

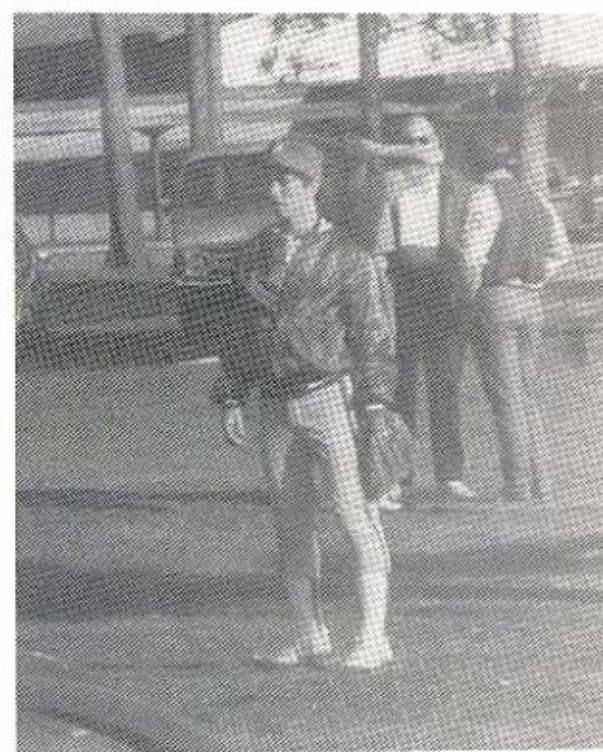

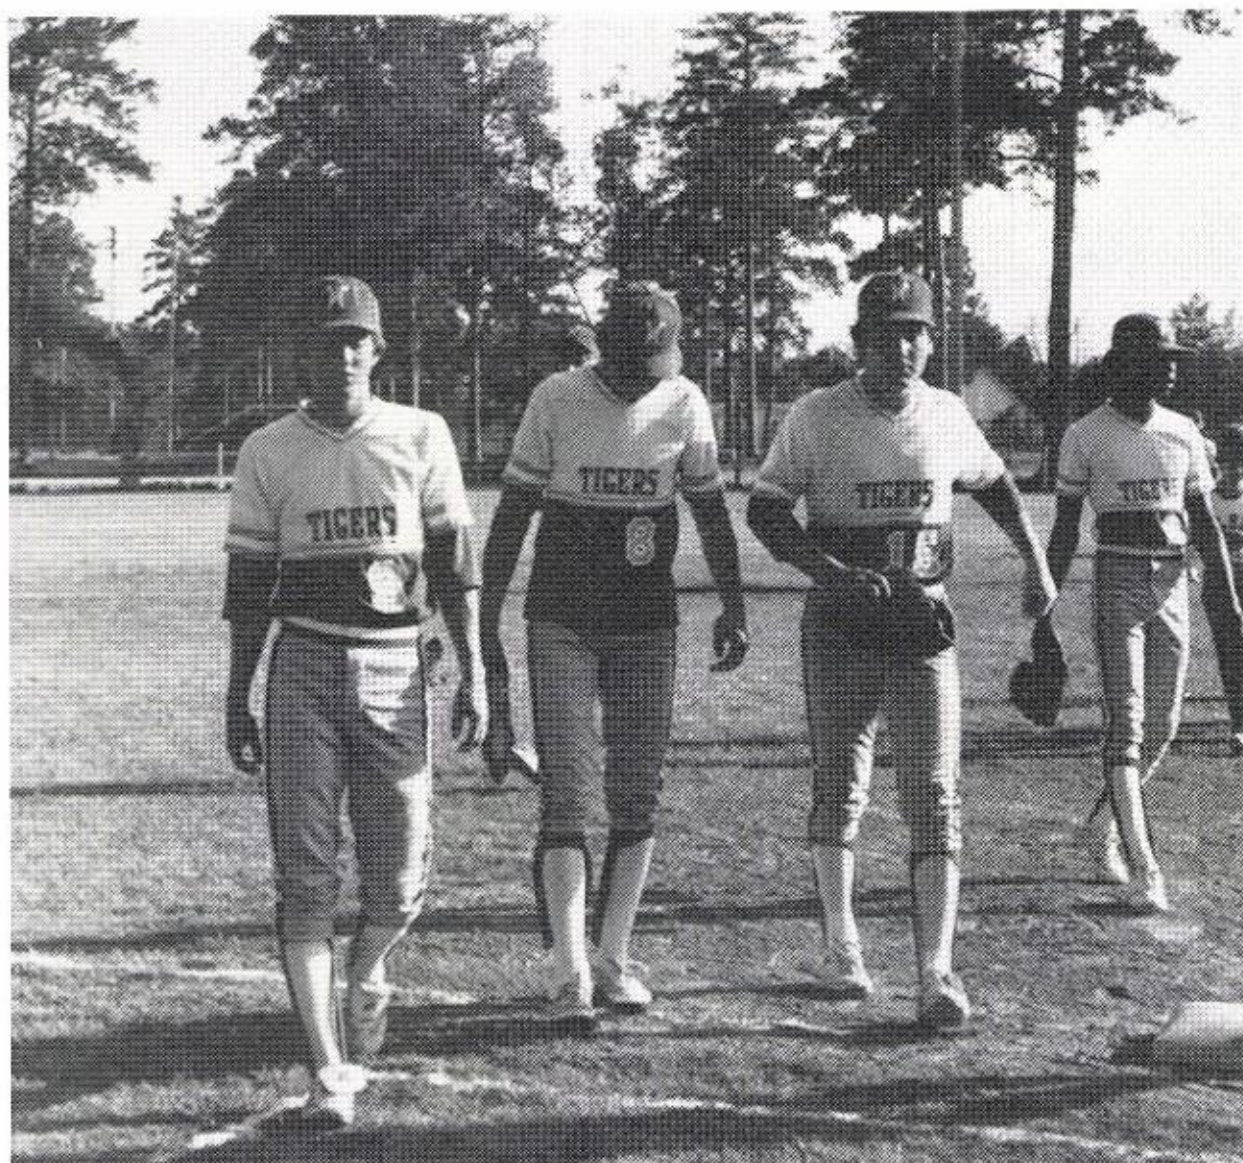

their baseball quest with a 15-3 record.

The troop had a sticky defense and could be described as aggressive at the plate.

Not only was the team young, super-defensive, and aggressive, but also played the game intelligently. These characteristics made 1983 Tiger Baseball a big hit.

The Tigers started out this year's track season by placing 2nd in the Rebel relays in Pineville to AAA powerhouse, Bolton. Next came the Tiger relays and Winnfield completely out-classed all competition. Then came a first place finish in Marksville in which Kevans Nears broke the school record in the high jump with a leap of 6' 8". Injuries plagued the Tigers as they placed third in the Cenla Rally, but they came back strong and took 1st place in the News Star World track meet in Delhi, as Benny Mitchell broke his own school record in the 100 yard dash at 10:64. At the district meet, the Tigers had a bad day and finished 2nd to Jonesboro-Hodge, but still managed to qualify 13 events for regionals, where they finished 2nd and broke three region records and qualified 5 events for state in Baton Rouge.

The Winners

This annual centers around the winning tradition at WSHS. In this next section, all of the winners are featured. Some are in clubs, some are in sports, some are in academics, and some are in all three. Winnfield Senior High students have been commended for their performances in district and state rallies year after year. These pages reveal the achievers, and the answer to the mystery of the winning tradition at WSHS becomes clearer.

The WSHS Marching Tiger Band started the 1982-83 year with a new band director, Mr. Karl Carpenter. Under the field direction of Drum Major Raymond Holden, the band marched to the Dome for the AA State Football Championship. The band marched at the District Marching Festival at NSU, rating an excellent.

After the half-time shows, parades, and contests, marching season was over. It was a time to look for new horizons-to set new goals and to reach them. It was concert season. Even with the loss of a few members, the band played on. And played well! The band won the Sweepstakes Award at the Large Ensemble Festival at NSU. Many who thought the band had completed its work for the year, were wrong. The band was looking to the future — for bigger and better things. And they played on.

State Rally Contestants Were Super

It was a Friday-the eighth of April to be exact. The following suspects were seen loading vehicles at 12:00 p.m.: Sandy Southall, Debra Mattox, Penny Bishop, Courtney Heard, Jennifer Haley, Kim Stuckey, Glenn Austin, Jay Crooks, Clay Wheeler, David Sullivan, Cindy Jones, Claire and Williams, Tonya Williams, and Clarence Holbrook. The leaders of this infamous gang were three respectable adults: Mr. Herschel Machen, Mrs. Taffy Creel, Mrs. Mary Milam. The vehicles pulled out minutes later and traveled south to Port Allen, where they checked into the Prince Muriat. The next day the state rally contestants-along with their three chaperones-went to LSU for State Rally. They returned to Winnfield that evening.

Who Tocks The Clocks?

This year marked Mr. Hershall Machen's tenth year as principal at WSHS. Some of his everyday duties included the supervision of the school's operation, the encouragement of students' and teachers' efforts, and the promotion of future success. Above all this, his endeavors included maintaining the outstanding academic and athletic standards. When asked what made him proud of WSHS, he replied "the pride and discipline each student has."

Jerry Bamberg contributed in many ways to the success of the 1982-83 school year. Besides being Assistant Principal, he taught physics, math, and was sponsor of Student Council. He could be found spending his after school hours coaching football and girls' basketball.

This year made Ernie Bamberg's 4th year as Guidance Counselor here at WSHS. His days included jobs such as counseling, individual inventory, occupational information, placement, and follow-ups. When not at school, Mr. Bamberg's extra curricular activities included golf and woodworking.
